PROSPECTUS

D.A.V. PUBLIC SCHOOL

SANGAKPHAM, IMPHAL

INTRODUCTION

The Dayanand Anglo Vedic College Trust and Management Committee was found by a group of dedicated and enlightened persons for eradicating ignorance of illiteracy. Right from the beginning, the D.A.V. management was nurtured by selfless and dedicated workers like Mahatma Hansraj, Lala Lajpat Rai, Bhai Parmanand, Bakshi Tekchand, Dr. Meharchand Mahajan, Justice Jeewanlal Kapoor, Dr. G. L. Dutta and Lala Suraj Bhan. The D.A.V. Alumni include Shaheed-i-Azam Bhagat Singh, Dr. Meharchand Khurana and distinguished person.

The D.A.V. College Managing Committee encompasses a very broad spectrum of educational activities all over India and we have all over more than 600 institutions. These institutions include technical training Colleges and Public Schools all over the country and abroad.

No doubt, a number of private institutions emerged during the last few decades which had professed to work for the total development of the child; slowly we realise that something vital is missing. The products of these schools were cut off from their ancient cultural heritage. D.A.V. Institutions retain the man-making technique of Public School system and root them in the soil of their culture and civilization.

Having sensed the aspiration of the people, the D.A.V. College Managing Committee, New Delhi has decided to open a chain of quality schools to be seen on Public School lines. The D.A.V. Public School at Imphal is one of them.

IT AIMS AT

- a) The academic excellence along with opportunities to students to develop individual talent. Due emphasis is laid on the formation of character and spirit of dedication for the service of the society.
- b) Enabling a child to explore from his/her environment that knowledge which would prepare him/her facing challenges of modern life without spoon-feeding from his/her teachers.
- c) Developing a rational and scientific outlook on life and acquiring thirst for knowledge.
- d) Inculcating the fundamental values of life like compassion, tolerance, truth, honesty, love for his fellow beings and respect for our ancient thought & cultural heritage.

Above all, the D.A.V. Public School believes in inherent discipline. However, it expects each and every one to abide by the rules and regulations of the school. The students are to observe strict discipline not only inside the school but also out-side and bring a good name to the school. The co-operation of parents and guardians is highly essential in the development of the child.

With all these aims and objectives in view, a D.A.V. Public School as already stated is established at Sangakpham, Imphal. The School is affiliated to the Central Board of Secondary Education, New Delhi upto the Senior Secondary Stage (Class - XII) (Affiliation No. 1230004) and is under the direct control of D.A.V. College Managing Committee, Chitra Gupta Road, New Delhi.

As per our convenience we have opened only Science Stream. However, efforts shall be made to start Humanities also if the number of the candidates increases.

THE D.A.V. POLICY OF EDUCATION

1. To make education national in tone and character and weld together the Indian people by encouraging the study of the national language (Hindi) and acquaintance with English literature.

2. To impart knowledge and develop in students, faculty of thinking and a spirit of enquiry and research, so as to make them useful members of the community.
3. To infuse in students high moral and spiritual values by enforcing the study of Sanskrit and Vedas in D.A.V. Institutions.
4. To afford stimulus to the material and economic progress of the country by spreading knowledge of the physical applied sciences and introducing education.

CURRICULUM

In order to develop the language ability, three language formula as per the education policy of the Central Government has been adopted. English, Manipuri and Hindi are taught from Nursery Classes and Sanskrit from Class V onwards. The other academic subjects are Science, Maths., Social Studies, etc. Besides the other co-curricular activities, Music, Dance, Art, General Knowledge, Debating and the like shall be taught. However, emphasis is given on the development of physical and intellectual faculties through games, sports and yoga. The main feature on the whole of the School is to create national awareness, unity and integrity through different types of programmes like School Welfare and Civic Responsibility, etc.
